

Lee Swenson - Orchestral Instrument Repair [email](#)

Lee is an old friend of the MGR family. His son Kyle worked here before heading off to college. Lee enjoys playing violin, guitar and fixing bicycles. Lee sets-up most of our used instruments and rentals. He works both on and off-site depending on the job. Several local music stores have made use of his talents.

Experience: 6+ years

Technical training: Redwing stringed instrument program

Rates: Setups and restrings fixed, other services by estimate

Availability: Lives close to MGR and can usually turn repairs around in under one week

Specialty: Violin and cello bridge shaping, restrings, damage repair, setups

Other services: Lee is an excellent bicycle technician
